Dear Dr. Cohn:

We are pleased to announce the 2015 Forever 9 Softball/Whiffleball Tournament was a success. As a result, Forever 9 is able to donate \$7,000 to the Neuroblastoma Children's Cancer Society in honor of Nicholas DeFelice. NCCS matched the proceeds in the amount of \$ 7,000 which included matching challenge to current supporters and prior donations, memorial gifts, etc.

We are pleased to announce that you, in connection with the University of Chicago Hospital, are the recipient of our annual research grant for neuroblastoma research totaling \$25,000! We want this to help support the Interactive International Neuroblastoma Information Network directed by Dr. Cohn.

We appreciate your dedicated work and support of neuroblastoma research. It is our hope that our grant will give you the financial means to support the research that will lead to a cure for neuroblastoma! Best of Luck!

Warmest Regards,
